

1/4/2018

Winchester TU meeting minutes

Galen called the meeting to order at our new location: Red Cross building, 561 Fortress Dr. Winchester, VA

A motion was made by Galen to donate to Cure Search for Children's Cancer. Phil second. This is in remembrance of Bill's 2-year-old nephew who passed away this week.

#### Finance

See Bill's accounting attached at the end of these minutes.

#### Projects

Red Bud work session this Saturday 1/6/18 postponed due to cold weather

#### Project Healing waters

Phil - Bolder Crest-In Bluemont, VA is working with PHW to add opportunities for vets. In addition, Phil mentioned two additional contacts for "healing opportunities" for those in need.

#### Bar Fly

The next event is 1/10/2018

#### Other

TIC – All the tanks seem to be doing well.

A hand out of 2018 Chapter activities was distributed to attendees. Of note were the typical festivals that normally occur in February and March are in January and February this year.

#### Speaker

Tom Carroll, one of our newer members, provided a presentation on how he builds custom fly rods to the client's specification, interest, fish type and casting style. It was most informative.

Next meeting will be on 2/1/2018
