### **Speaker: Vic Brugh from Reel Recovery**

Dr. Vic Brugh is the Regional Director of Reel Recovery. Reel Recovery was founded in 2003 by a group of avid fly anglers, inspired by their fishing buddy's ongoing battle with brain cancer. Witnessing first-hand the beneficial impact that fly fishing provided for their friend, they created Reel Recovery to provide the same opportunity for other men battling the disease. Combining expert fly-fishing instruction with directed "courageous conversations", the organization provides men with all forms of cancer a unique opportunity to share their stories, learn a new skill, form lasting friendships, and gain renewed hope as they confront the challenges of cancer.

All costs for the guests are covered by Reel Recovery. Graves Mt. Lodge, Syria, VA is used for VA outings on the Rose River. Outings are May 14-16 and October 22-24. "Fishing buddies" are needed. Cost is \$800-1,000 each. Donations are always welcome. Make them to the VA chapter Reel Recovery.
